Complaint for felony copyright infringement, trademark infringement and damages

Maxwell Kremer, owner of Simcrimecom tm, seeks punitive damages, or monetary compensation, resulting from the defendant Reddit.com's illegal pirating of a registered certificate copyright logo and for use of a registered trademark without permission, on the defendant's business website.

Parties and Jurisdiction

1. The plaintiff, Maxwell Kremer, owner of Simcrimecom tm and the intellectual properties regarded herein, resides in Overton, Tn. However Simcrimecom is a TN state registered wordmark in business management category. The plaintiff Maxwell Kremer is the only member of Simcrimecom tm as there are no other employees or affiliates. Simcrimecom tm is a one man business. The plaintiff Maxwell Kremer, owner of Simcrimecom's business location is 470 #B Swallowschapel rd. Cookeville, Tn 38506.
2. The defendant Reddit.com, is a company located in San Francisco, California. However, the defendant Reddit.com's business range is whole, or semi, world wide, as they operate on the internet in California and in Tennessee. The defendant Reddit.com's business location is 548 Market St. #16093, San Francisco, Ca 94104-5401.

4. The plaintiff, Maxwell Kremer, owner of Simcrimecom tm, was awarded certification of the registered copyright artwork, #VAU-332-674 by the United States Copyright Office on September 4, 2018. A copy is attached hereto as exhibit a.
5. The defendant, Reddit.com, began to display the copyright and trademark on it's business website without permission, on July 22, 2019. One of the defendant Reddit.com's agents, or accomplices, photographed the Simcrimecom tm store location, depicting the brand copyright logo and painted signage that reads " Do not photograph this property. No consent." The defendant Reddit.com began using the illegal photograph in ad work on it's business website. The webpage is www.reddit.com/r/southpark/comments/cgkqg9/drugs_are_bad_mmmkay/. The webpage displays dialogue text that reads "Simcrimecom". The pirated copyright logo is seen in the webpage image as a rectangular white sign with black icon. A copy is attached hereto as exhibit b.
6. The plaintiff, Maxwell Kremer, owner of Simcrimecom, had the copyright logo displayed on his own business website where the copyright license of the logo was said for sale at a price of \$1,000,000usd per country, where terms include only one licensee per country, as regional exclusive licenses.
7. San Francisco Police Department approved police report #216085890 on July 5, 2021 for felony copyright infringement, described as stolen property, being intellectual property. The federal felony copyright infringement code is 17USC506a. A copy is attached hereto as exhibit c and exhibit d.

Causes of Action

8. The defendant Reddit.com advertises it's own ability to offer management services, as ads and media advertising, and therefore infringes on Simcrimecom by displaying the wordmark without permission. A copy is attached hereto as exhibit e.
9. By serving felony charges on the defendant Reddit.com for 17USC506a by SFPD, it is proven that the plaintiff Maxwell Kremer, owner of Simcrimecom, was victimized by the defendant Reddit.com, regarding counterfeiting and piracy, as harmful to the plaintiff Maxwell Kremer's business, Simcrimecom tm.
10. T.c.a. reads "written contracts are prima facie evidence", which implies only paper, pen and ink contracts are regarded as truthfully valid. In turn, the defendant Reddit.com has no contract with the plaintiff Maxwell Kremer, owner of Simcrimecom tm, and the defendant Reddit.com never had a contract with the plaintiff Maxwell Kremer, owner of Simcrimecom tm.

Damages

11. The plaintiff, Maxwell Kremer, owner of Simcrimecom tm, seeks a judgement against the defendant Reddit.com for punitive damages, or for monetary compensation relief, in cause by the defendant Reddit.com's reckless infringements of:
 - A. The copyright logo
 - B. The Tennessee registered wordmark "Simcrimecom"
12. Furthermore, in scope of hypothetical 100 regional exclusive licenses sold at \$1,000,000usd each by Simcrimecom tm, the copyright icon is determined worth a value of \$100,000,000usd. The defendant Reddit.com did not purchase a regional exclusive license and is therefore

demanded to pay \$100,000,000 in damages. The defendant Reddit.com may no longer be affording a lingering option to buy such copyright licenses, as payment is damages, not transaction. The defendant, Reddit.com is demanded to pay one hundred million dollars to the plaintiff Maxwell Kremer, owner of Simcrimecom tm unless the court judgement will decide a more appropriate amount of monetary relief to be delivered to the Plaintiff, Maxwell Kremer, owner of Simcrimecom tm.

Injunctive Relief

13. The plaintiff, Maxwell Kremer, owner of Simcrimecom tm, demands that the defendant, Reddit.com, must stop pirating the copyright logo and the wordmark.

In the State of Tennessee, in the court of Cookeville, Putnam County, the plaintiff believes this civil warrant complaint is truthful and righteous.

NARRATIVE

<https://www.fda.gov/archives/criminal-resource-manual-1647-criminal-copyright-infringement-17-use-506a-and-18-use-7319>

The principal criminal statute protecting copyrighted works is 17 U.S.C. § 506(a).

Someone, unknown to me, who is not my accomplice, put my registered copyright logo and state trademark in business management category "Simonecom" on Reddit.com's business website. I did not give Reddit permission to infringe my works. Reddit, owned by NYC Corporation, only defense might be stating that it's own website is not for commerce, which is suspected to be easily proven false by reviewing Reddit's tax return information. My business is Simonecom tm in Overton, TN. I had to estimate some values in your webform due to a lack of feasibility. I noted out Reddit's copyright infringe alien which gave them a chance to settle out of court, which they failed to do.
